I was on Guitartools.... Then I was kindly invited here.

I wont say what I do.... Just that I'm a 1970's fan.

Thanks for the invite guys! :cheer:

Hello Mr Admin!

This is a bit unusual, 'eh? Or is it that I'm just behind the times?  
Unusual in a good way.....;)

When I signed up, a message says "admin wants to connect."  
I said "ok", but tbh, dont know what it meant!! What did it mean?? :silly:

Oh sorry!

It's a buddy list type thing - but it's automatically turned on for when new people register! I'll turn it off, as I'll get a lot of emails!

Runescape Gold in game tests are deleted, appeared in a single task model and neutral creatures. Blizzard official explanation is coupled with the race, RS Gold and it is difficult to guarantee after game balance. "Warcraft 3" game contains the most real-time strategy game has the elements: collection resources, Runescape Gold the construction base and lead the fight.
